### John Brown obituary:

John Brown was born in Richland county, Ohio, August 17, 1826 and died at his home in Bloomfield, August 30, 1907, aged 81 years and 13 days. He grew to manhood in his native state and was there married, Oct. 18, 1853 to Miss Unity Knox, who survives him. In 1867 he came with his family, where he settled on a farm 2.5 miles from Troy, and resided there until about eleven years ago when they moved to this city. He had been in feeble health for several years, and for the past few months had been confined to his bed, requiring constant care and attention. He was

very patient throughout his sufferings and the end came so peacefully that the family scarcely realized that death was near. He leaves a wife and eight children, James of this county; Wilson of Parsons, Kansas, Miss Leah.... *Incomplete need to find source*
