Notes

Around 1600 the Lusk paternal lineage appears in South Ayrshire
Where previously it was north- Orkney, Shetland Islands

Both John Franklin Lusk (1671-1730) and his son William Joseph Lusk
(1696-1746) immigrated
From Ulster to PA. The first hypothesis is that they came together. If so
then they immigrated between 1696-1730

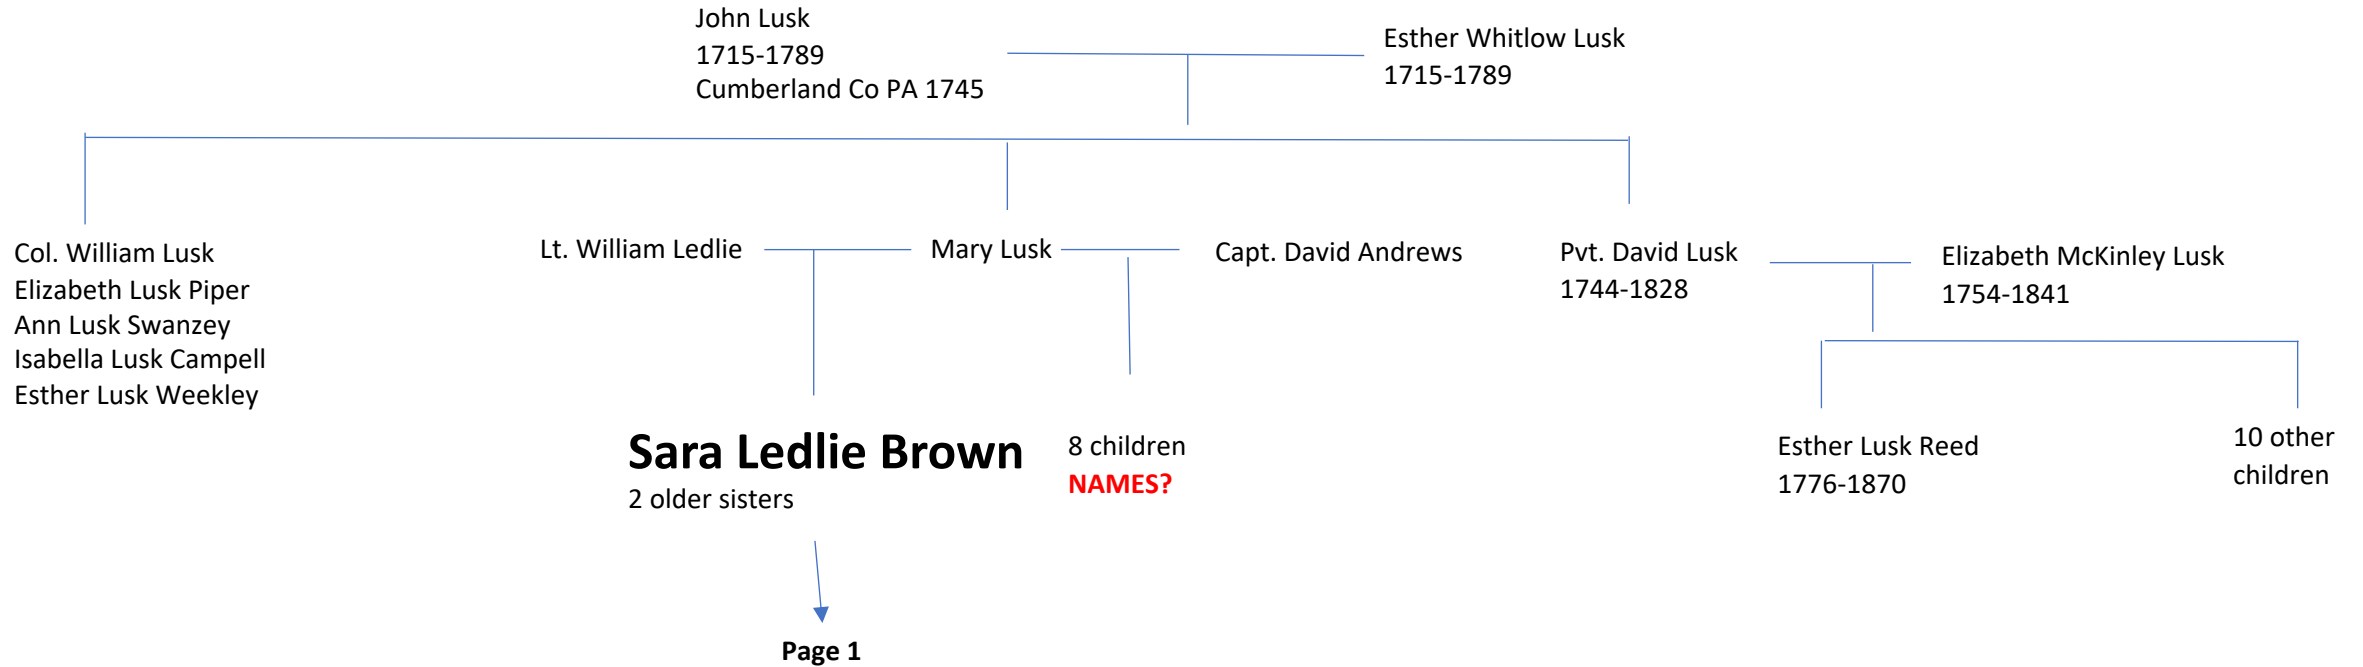

William Joseph Lusk and his wife Sara Elizabeth Guinn Lusk both died
when they were 50 years old, same year in the Colonies (1746).
